Dear Trustees of Leland Stanford Jr. University:

A recent inspection of the subject property revealed a violation of the County's Grading Ordinance. In accordance with Sections C12-406 and C12-407 of the County Grading Ordinance, all grading within the County of Santa Clara requires a grading permit, unless the grading qualifies for a grading permit exemption.

You are ordered to stop all grading, drainage, and site work at this time, and remain inactive until appropriate permits are issued by this office. Any necessary stormwater control measures shall be installed immediately.

An order to stop all grading work was also posted on the property on September 14, 2018.

Please contact [Darrell Wong](mailto:Darrell.Wong@PLN.SCCGOV.ORG) at this office to obtain details on the process of abating the violation by telephone at (408) 299-5735 or by email at DARRELL.WONG@PLN.SCCGOV.ORG.

Sincerely,

A handwritten signature in blue ink, appearing to read "Darrell Wong for".
