Dear Ms. Mibach:

Below is Silicon Valley Clean Water's (SVCW's) response to your September 20, 2019 Public Records Act request.

Request No. 1: Any separation agreement referenced in Dan Child's Separation Agreement.

SVCW has received notice that Mr. Child plans to seek a court order prohibiting SVCW from disclosing the settlement agreement referenced in Mr. Child's agreement. SVCW, therefore, will withhold this document until the court issues a decision on that matter.

Request No. 2: Any employment agreement amendments referenced in Dan Child's Separation Agreement.

SVCW does not have any documents matching this description.

Request No. 3: Any severance notices or resignation letters referenced in Dan Child's Separation Agreement.

SVCW has received notice that Mr. Child plans to seek a court order prohibiting SVCW from disclosing Mr. Child's Notice of Termination and Resignation Letter. SVCW, therefore, will withhold this document until the court issues a decision on that matter.

Please also note that pursuant to Government Code section 6253(d), the person responsible for denying requests on behalf of SVCW is the undersigned.

Sincerely,
