DEMAND FOR JURY TRIAL

1 1. This is a case about a police officer sacrificing a twenty-year career in law
2 enforcement, his professional reputation, and a multimillion-dollar pension to resist public
3 corruption.

4 2. San Mateo County Sherriff Christina Corpus persuaded him to accept a leadership
5 position at the Sheriff’s Office by promising him an opportunity to serve the people of San Mateo
6 County. Soon after Captain Philip joined the Sheriff’s Office, Sheriff Corpus attempted to coerce
7 Captain Philip to place loyalty to her above his dedication to public service and the rule of law by
8 attempting to require him to initiate an investigate or arrest her perceived enemies. Corpus was
9 looking for a lackey. Instead, she found Captain Philip.

10 **Captain Philip is a Decorated Twenty-Year Law Enforcement Veteran with an Impeccable**
11 **Record of Service**

12 3. Captain Philip distinguished himself as an exemplary public servant during his 19
13 years working at the Palo Alto Police Department. His accomplishments at Palo Alto Police
14 Department include: becoming the first sergeant in Palo Alto Police Department history to
15 supervise a regional task force dedicated to combatting major felonies and narcotic-related crimes,
16 leading Palo Alto Police Department’s SWAT Team, and shaping future officers as a SWAT
17 academy instructor. Palo Alto’s Chief of Police celebrated and commended Captain Philip when
18 he honorably resigned from the Palo Alto Police Department to serve the people of San Mateo
19 County.

23 **Subject:** Thanks Lt. Philip For Serving and Protecting Palo Alto!

24 Today is Lieutenant Brian Philip’s last day with the Palo Alto Police Department after almost twenty years of serving and protecting our
25 community. Brian began his career with PAPPD in 2004, promoting to Agent, Sergeant, and Lieutenant, where he’s led A-team
26 personnel since last year. Over his career, Brian served on the SWAT team for 14 years, was a SWAT Team Leader and a SWAT
27 academy instructor. Brian’s career highlights include extensive investigative experience, spending three years as a detective and three
28 years as the ISD Property Crimes supervisor. He was also assigned as the supervisor of the Santa Clara County Specialized
Enforcement Team where he supervised officers from various agencies throughout the county as they combated major felonies and
narcotic-related crimes. Brian was the first sergeant in recent Department history to supervise a regional task force and has an
impressive network of local, state, and federal contacts from his time there and beyond. We are also grateful for all the long hours,
steadfast dedication, and professionalism Brian exhibited in his roles as Public Information Officer and PIO team supervisor, supervisor
of the Special Enforcement Detail, supervisor of the Bike Team, and as a School Resource Officer. **In every assignment he worked,**
Brian proudly served and protected with respect and integrity.

**Brian - We will miss your infectious smile, unwavering passion and energy for police work, and your commitment to excellence in
everything you do. Our loss is truly San Mateo County’s gain. Good luck in your new role as Captain with the San Mateo County
Sheriff’s Office and we are grateful for all your years of service, friendship, and leadership. God speed on your new adventure and
don’t forget we’re here if you need us!**

1 4. Palo Alto’s loss was San Mateo’s gain. Captain Philip began working at San Mateo
2 County Sheriff’s Office on August 8, 2023 and he promptly went to work leading the Professional
3 Standards Bureau, coordinating office-wide training programs, managing the firing range,
4 overseeing investigations, and supervising multiple task forces.

5 **Victor Aenlle Felt Threatened by Captain Philip’s Legitimate Law Enforcement**
6 **Experience and His Friendly Relationship with Sheriff Corpus**

7 5. There are several things Sheriff Corpus failed to tell Captain Philip when she
8 recruited him to accept employment at San Mateo County. One of these things is that she planned
9 to fabricate a new leadership role at the Sheriff’s Office and hire her boyfriend, Victor Aenlle, to
10 that role. Her boyfriend’s role, “Chief of Staff”, never existed at San Mateo County until Sheriff
11 Corpus invented it to employ Aenlle. Aenlle, a real estate agent who failed the background check
12 required to become a sworn officer at San Mateo Police Department, seemed eager to play cop: he
13 fabricated a fake gold badge, told members of San Mateo County Sheriff’s Office that he was
14 Sheriff Corpus’s “dignitary protection”, and constructed a gun closet to store a custom suppressed
15 rifle that he was not lawfully permitted to possess. Aenlle wielded substantial authority as Chief
16 of Staff, bragging to the San Mateo Daily Journal that he “has every right” to question personnel,
17 regardless of whether the personnel is a sworn officer or a civilian employee because “they think
18 that the only people they need to report to or answer to have to [be] sworn and carry a big badge
19 on them...I am chief of staff. The undersheriff is her right hand, I am her left hand.”

20 6. Aenlle felt threatened by Captain Philip’s decades-long professional friendship
21 with Sheriff Corpus and Aenlle arranged a meeting with Captain Philip to take place on September
22 15, 2023 so he could threaten Captain Philip. Aenlle attempted to intimidate Captain Philip during
23 this meeting by quoting messages that Captain Philip had sent to Sheriff Corpus, telling Captain
24 Philip that Aenlle had “done his research” on Captain Philip, and demanding Captain Philip not
25 have any further communication with Sheriff Corpus.

1 **Sheriff Corpus Attempted to Conceal Her Improper Relationship with Aenlle from the**
2 **People of San Mateo County**

3 7. In September 2023, Sheriff Corpus instructed Captain Philip to shut down an
4 Instagram account that publicly commented on Sheriff Corpus’s romantic relationship with Aenlle.
5 Captain Philip then informed Sheriff Corpus that there was nothing illegal about the Instagram
6 posts disclosing her relationship with Aenlle and that they could not legally take action against
7 Instagram or the individuals who made the posts that upset her. Sheriff Corpus then retaliated
8 against Captain Philip by refusing to communicate with him for several weeks.

9 **Corpus and Aenlle Ordered Captain Philip to Sign and Serve an Illegal Internal Affairs**
10 **Targeting Their Political Opponent**

11 8. In August 2024, Sheriff Corpus and Aenlle attempted to fabricate an internal affairs
12 investigation to retaliate against a Sheriff’s Office deputy because the deputy was close to the
13 President of the Organization of Sheriff’s Sergeants, a union that had publicly condemned Sheriff
14 Corpus and Aenlle. Internal affairs investigations are very serious matters that can lead to
15 substantial professional and criminal consequences. California law and San Mateo County
16 Sheriff’s Office policy thus require that internal affairs investigations be initiated only by a sworn
17 law enforcement officer who has personally verified the allegations giving rise to the internal
18 affairs complaint. Instead of following this law and policy, in August 2024, Sheriff Corpus and
19 Aenlle instructed a civilian to draft and sign the internal affairs notice that would initiate the
20 internal affairs investigation.

21 9. On about September 1, Sheriff Corpus learned that the internal affairs notice cannot
22 be executed by a civilian and it must instead be initiated by a sworn peace officer. Sheriff Corpus
23 then decided that Captain Philip should be the sworn peace officer to execute the internal affairs
24 notice. Until this time, Sheriff Corpus and Aenlle excluded Captain Philip from all deliberations
25 or discussion about this internal affairs investigation despite Captain Philip being the head of the
26 internal affairs department at the Sheriff’s Office.

1 10. Undersheriff Perea then contacted Captain Philip and instructed Captain Philip to
2 sign the internal affairs notice without providing Captain Philip with any information regarding
3 the basis of the investigation. Acting on instructions from Sheriff Corpus, Aenlle, and Undersheriff
4 Perea, San Mateo County’s human resources manager sent an email to Captain Philip asking
5 Captain Philip to sign the internal affairs notice per Undersheriff Perea’s instructions.

6 **Captain Philip Refused to Sign Sheriff Corpus and Aenlle’s Illegal Internal Affairs Notice**

7 11. Captain Philip reviewed the draft internal affairs notice sent out by the human
8 resources manager and he quickly identified various deficiencies in the draft notice, including the
9 notice lacking the date and time for the subject officer’s interview and it not providing the identities
10 of the complainant or witnesses. Captain Philip correctly understood that the deficiencies rendered
11 the internal affairs notice illegal under the Public Safety Office Bill of Rights (“POBAR”). On
12 September 3, 2024, Captain Philip replied to the human resources manager’s email and informed
13 her and Assistant Sheriff Monaghan that the draft internal affairs notice violated POBAR (i.e.
14 Government Code 3303) and that he was therefore refusing to sign the document.

1 **Aenlle Announced His Intention to Retaliate Against Captain Philip Because Captain**
2 **Philip Refused to Sign the Illegal Internal Affairs Notice**

3 12. A human resources manager at San Mateo County texted Aenlle at 5:10 p.m. on
4 September 3 and asked Aenlle to review the 5:06pm email that Captain Philip sent to her in which
5 Captain Philip informed her and others that he was refusing to sign the illegal internal affairs
6 notice. Aenlle promptly replied to the human resource manager’s text message and asked her if
7 Philip had been employed at San Mateo County beyond the one-year probationary period for
8 employees of San Mateo County within Captain Philip’s classification. As Aenlle undoubtedly
9 knew, Captain Philip’s employment could only be terminated for cause if he was no longer on his
10 new hire probation period. The human resources manager replied to Aenlle confirming that
11 Captain Philip was no longer on new hire probation.

1 13. A few hours later, at 9:16 p.m., Aenlle texted the human resources manager to asked
2 her if she was awake. The human resources manager promptly replied to Aenlle’s text confirming
3 she was awake and asking how she could help.

12 14. Aenlle then called the human resources manager and asked her, “Captain
13 Philip...why would he write that email knowing he would get IA’d for it or be fired?” When the
14 human resources manager told Aenlle that Captain Philip took issue with having no personal
15 knowledge of the investigation despite his role as the internal affairs captain, Aenlle responded
16 that he intended to remove Captain Philip from internal affairs and replace him with another
17 captain who would be willing to do Aenlle and Corpus’s bidding. True to his word, Aenlle started
18 retaliating against Captain Philip soon thereafter.

19 **Sheriff Corpus, Aenlle, and Their Cronies Retaliated Against Captain Philip Because He**
20 **Refused to Sign the Illegal Notice**

21 15. Aenlle and Sheriff Corpus began retaliating against Captain Philip for his refusal
22 to launch the internal affairs investigation into the individual close to one of Sheriff Corpus’s
23 political opponents. This retaliation included:

- 24 a. Removing Captain Philip from his position overseeing the Professional Standards
25 Bureau with the intent to replace him with a Corpus supporter who would comply with
26 the regime’s plan to use the Professional Standards Bureau to retaliate against those
27 perceived to oppose Corpus and/or Aenlle;

- b. Placing Captain Philip in a dead-end position overseeing the corrections unit despite another captain already having that role and there being no need for a second person in that role;
- c. Stripping Captain Philip of prestigious ancillary duties including overseeing the firing range and the task force for the creation of a childcare substation;
- d. Transferring Captain Philip’s responsibilities to lower ranking staff members;
- e. Undersheriff Perea engaging in petty bullying tactics including parking in Captain Philip’s assigned parking spot and sending hostile emails to Captain Philip; and
- f. Sheriff Corpus refusing to communicate with Captain Philip for months.

16. On September 5, 2024, Captain Philip reported to San Mateo County’s human resources department that Aenlle and Undersheriff Perea were creating a hostile work environment and unlawfully retaliating against him. San Mateo County did nothing in response to Captain Philip’s report.

San Mateo County Launched an Independent Investigation into Aenlle’s Suspicious Behavior Against Numerous San Mateo County Employees

17. San Mateo County has received an unprecedented number of complaints from both civilian and sworn personnel concerning Victor Aenlle. In around July 2023, the San Mateo County Board of Supervisors retained Judge LaDoris Cordell (Ret.) to conduct an independent investigation into these complaints. While the investigation initially only concerned Aenlle, Judge Cordell identified additional concerning behavior within the Sheriff’s Office and the scope of the investigation expanded to 15 allegations of wrongdoing that also directly implicated Sheriff Corpus. Judge Cordell interviewed 40 current and past sworn and civilian employees, the majority of whom had previously made formal complaints with San Mateo County about Aenlle and/or Sheriff Corpus.

1 **Captain Philip Cooperated in Judge Cordell’s Investigation and He Reported Corpus and**
2 **Aenlle’s Illegal Behavior**

3 18. On around September 3, 2024, Captain Philip cooperated in the independent
4 investigation, telling retired Judge Cordell the details of the conduct that he had personally
5 witnessed and experienced while working at the Sheriff’s Office, including Aenlle’s aggressive
6 behavior towards Captain Philip, the request for Captain Philip to serve an illegal internal affairs
7 notice, and the retaliation Captain Philip faced after he refused to execute the illegal internal affairs
8 notice.

9 **Sheriff Corpus Expressed Her Intent to Retaliate Against Captain Philip After Discovering**
10 **Captain Philip Cooperated in the Internal Affairs Investigation**

11 19. Judge Cordell interviewed Aenlle on September 25, 2024. The investigator’s
12 questions revealed to Aenlle Captain Philip’s involvement in her investigation. That evening,
13 Corpus, Aenlle, and other members of the executive team held a closed-door meeting in which
14 they criticized Captain Philip and several other employees for participating in the Cordell
15 investigation. Corpus instructed staff to remove Captain Philip from County servers and to lock
16 down all personnel files and account for all the keys.

17 **Corpus and Aenlle Escalated Their Retaliation Against Captain Philip After Learning He**
18 **Disclosed Their Illegal Behavior**

19 20. Sheriff Corpus and her cronies quickly went to work implementing Sheriff
20 Corpus’s plan to retaliate against Captain Philip, hoping to drive him to resign. Their retaliation
21 against Captain Philip included:

- 22 a. Expecting Captain Philip to respond to work emails during all hours of the day and
23 night, including on days when Captain Philip was not scheduled to work;
- 24 b. Intentionally altering meeting times to conflict with Captain Philip’s childcare
25 schedule;
- 26 c. Forcing Captain Philip to send early morning and late-night text messages with staffing
27 levels seven days per week, which was never previously a requirement;

- d. Forcing Captain Philip to work when he was ill and called out of work;
- e. Intentionally undermining Captain Philip by assigning him new job responsibilities that San Mateo County knew he lacked experience in, while deliberately refusing to provide him with any training support for these duties;
- f. Interfering with Captain Philip’s scheduled training so that Captain Philip could not obtain the knowledge and resources needed for him to gain the competence to complete his job duties;
- g. Closely monitoring Captain Philip’s timecards to attempt to find some basis to accuse Captain Philip of timecard fraud;
- h. Removing Captain Philip from close security detail for President-Elect Donald Trump and replacing him with an officer with significantly less experience than Captain Philip; and
- i. Removing Captain Philip from his high-level spacious office and giving Captain Philip’s previous office to his subordinate while putting Captain Philip in a lower-level cramped office despite an office comparable to Captain Philip’s previous office was immediately available.

21. Captain Philip once again demonstrated that he was not a man who Sheriff Corpus and her henchman could intimidate. Instead of resigning his employment, Captain Philip continued to perform his work serving the people of San Mateo County and attempting to mitigate the corruption that Sheriff Corpus and Aenlle were spreading through the Sheriff’s Office. Philip also reported this illegal retaliation to San Mateo County’s human resources department. The county’s human resources professional confirmed that Captain Philip was being treated illegally, but San Mateo County did not take any action to end the retaliation or to protect Captain Philip.

Sheriff Corpus and Aenlle Devised a Plan to Force Captain Philip to Make an Illegal Arrest Against Another Political Adversary of Sheriff Corpus

22. By 2024, many Sheriff’s Office employees correctly believed that Aenlle had effectively taken over the Sheriff’s Office by puppeteering Sheriff Corpus into doing his bidding,

1 including engaging in various illegal union busting activities. Carlos Tapia, the President of the
2 Deputy Sheriff's Association, resisted Aenlle's illegal schemes. The Deputy Sheriff's Association,
3 alongside the Organization of Sheriff's Sergeants, filed multiple complaints for unfair labor
4 practices with the Public Employees Relations Board. Corpus and Aenlle then targeted the
5 president of the Organization of Sheriff's Sergeants by concocting a retaliatory internal affairs
6 investigation of someone close to him.

7 23. In around September 2024, Tapia escalated his opposition against Corpus by
8 arranging for the Deputy Sheriff's Association ("DSA") and Organization of Sheriff's Sergeants
9 ("OSS") to hold a vote of no confidence in Aenlle. The vote was a landslide: 96% of voting union
10 members approved the vote of no confidence. On September 17, Tapia publicly announced the
11 results of the no confidence vote, publicized Aenlle's interference with union protected activity,
12 and called on Corpus to remove Aenlle from his position as Chief of Staff.

13 24. Sheriff Corpus and Aenlle sought to retaliate against Tapia by fabricating pretext
14 to arrest him. Lacking any legitimate basis to arrest Tapia, Sheriff Corpus and her lackeys chose
15 to play a tune often sung by leadership of San Mateo County Sheriff's Office when it wants to
16 retaliate against an employee: it accused him of timecard fraud.

17 25. San Mateo County planned to release on November 12 Judge Cordell's
18 investigation report into Sheriff Corpus and Aenlle's illegal acts. Sheriff Corpus and her minions
19 devised a plan they hoped would rid themselves of Tapia and Captain Philip while blunting the
20 impact of Judge Cordell's report: conscript Captain Philip to make the illegal arrest of Tapia so
21 that Captain Philip could be scapegoated and forced out of the Sheriff's Office. Sheriff Corpus
22 thought she would be killing two birds by throwing one stone, but she ended up tossing a
23 boomerang that returned this lawsuit and Carlos Tapia being cleared.

24 26. Undersheriff Perea called Captain Fogarty on the morning of November 12 and he
25 instructed Captain Fogarty to bring Captain Philip and report to Undersheriff Perea's office for an
26 emergency meeting. Undersheriff Perea instructed Captain Philip and Captain Fogarty to bring
27 their body cameras but he provided no further details.

1 27. Captain Philip promptly reported to Undersheriff Perea’s office, and Undersheriff
2 Perea ordered Captain Philip to arrest Tapia when Tapia arrived at the Sheriff’s Office later that
3 morning. Undersheriff Perea informed Captain Philip that this arrest was a “probable cause arrest”,
4 meaning that there was a reasonable basis to suspect that a crime had been committed.
5 Undersheriff Perea did not identify the purported probable cause for the arrest, nor did
6 Undersheriff Perea explain why Captain Philip had been selected to make the arrest. Sheriff
7 Corpus, Undersheriff Perea, and others who had conspired to arrest Tapia were capable of making
8 the arrest.

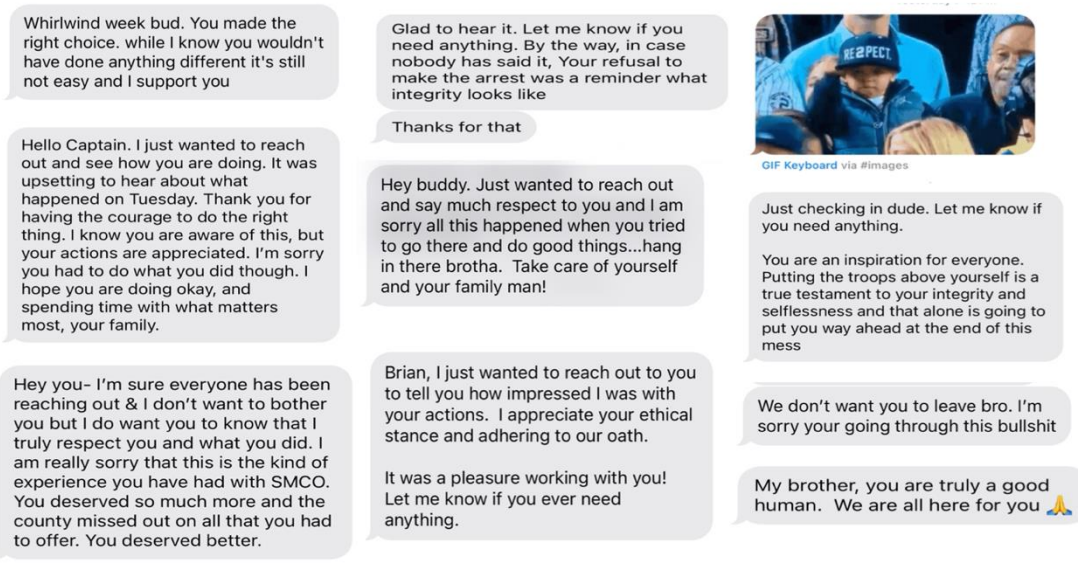

9 28. Captain Philip refused to make the arrest because he reasonably believed that the
10 arrest would violate Tapia’s civil rights, including Tapia’s rights under the Peace Officer’s Bill of
11 Rights. Undersheriff Perea refused to provide Captain Philip with any additional information about
12 the basis for the arrest and he again ordered Captain Philip to make the arrest. Captain Philip again
13 refused to illegally arrest Tapia, insisting to see a police report, a felony affidavit, or some
14 documentation that would justify the arrest. Undersheriff Perea outright refused to provide Captain
15 Philip with any further information, instead choosing to threaten Captain Philip and accuse him of
16 “insubordination”.

17 29. Aware that Undersheriff Perea intended to move forward with the illegal arrest of
18 Tapia, Captain Philip informed Undersheriff Perea that he believed he was legally required to
19 report the illegal arrest to the San Mateo County’s District Attorney’s Office and to San Mateo
20 County’s legal counsel. Undersheriff Perea then ordered Captain Philip to not discuss the arrest of
21 Tapia with anyone.

22 30. Given the choice to join the illegal scheme to arrest Tapia or resign his employment,
23 Captain Philip honorably chose to turn in his badge and gun, ending his employment at and service
24 of San Mateo County. Captain Philip then promptly reported the illegal arrest order to Mike
25 Callagy, San Mateo County’s Executive Officer.

1 **San Mateo County Sheriff's Office Employees Celebrated Captain Philip for his Courage**
2 **and Integrity in Refusing to Make the Unlawful Arrest**

3 31. News of Captain Philip's sacrificing his career to uphold the rule of law quickly
4 spread and Captain Philip received dozens of text messages, calls, and emails applauding his
5 courage and integrity.

16 **Captain Philip Suffered Immense Personal and Professional Damage Because he Upheld**
17 **the Rule of Law**

18 32. The illegal actions of Sheriff Corpus and her regime have caused Captain Philip to
19 suffer millions of dollars in damages, including: lost wages, lost earnings, and emotional distress.

20 **The Corpus Regime Consistently Retaliates Against Its Perceived Enemies**

21 33. Captain Philip and Carlos Tapia are unfortunately not the only individuals to suffer
22 retaliation and betrayal by Sheriff Corpus and her cronies for opposing illegal conduct at San
23 Mateo County Sheriff's Office. Other Sheriff's Office employees whom Sheriff Corpus has
24 retaliated against include:

- 25 a. Detective Carryn Barker. Deputy Barker is a Medal of Honor recipient who oversaw
26 investigation of all sex crimes cases within San Mateo County while being the only
27 woman on the SWAT team, a single mother, and the primary caretaker for her mother,
28 who suffers from Parkinson's disease. Detective Barker was subjected to egregious

1 sexual harassment by her SWAT team supervisor and by others in leadership at San
2 Mateo County Sheriff's Office. Detective Barker confided in Sheriff Corpus (then
3 Captain Corpus), telling Corpus about the harassment and sexual assault. While Corpus
4 was legally required to report this harassment to others at San Mateo County, she failed
5 to report the harassment or the assault, and she failed to do anything about it. Instead
6 of helping Detective Barker, Corpus attempted to manipulate Deputy Barker into filing
7 a lawsuit against San Mateo County because Corpus hoped the lawsuit would
8 embarrass then-Sheriff Carlos Bolanos and help Corpus defeat Sheriff Bolanos in the
9 upcoming election. When Detective Barker expressed hesitancy to pursue a lawsuit,
10 Corpus appealed to Detective Barker's sense of duty, telling Detective Barker that a
11 lawsuit was the only way that Detective Barker could help other women at San Mateo
12 County. Corpus also promised Detective Barker that she would voluntarily testify in
13 Detective Barker's lawsuit and support her throughout the litigation. Inspired by
14 someone whom she considered a mentor, Detective Barker filed the lawsuit Corpus
15 encouraged her to file. However, Corpus betrayed Detective Barker soon after Corpus
16 became Sheriff and retaliated against Detective Barker by: (i) refusing to communicate
17 with Detective Barker; (ii) refusing to testify in Detective Barker's lawsuit; (iii)
18 attempting to reassign Detective Barker to less desirable work assignments; (iv) sharing
19 Detective Barker's private information with San Mateo County so it could attempt to
20 use it against Detective Barker in her lawsuit; and (v) falsely accusing Detective Barker
21 of timecard fraud. Then—after Detective Barker won \$8,000,000.00 in her lawsuit and
22 representatives of San Mateo County apologized to Detective Barker—Sheriff Corpus
23 made sexist and belittling comments about Detective Barker's body and breasts to
24 others in San Mateo County's leadership. Aenlle also made derogatory comments about
25 Detective Barker.

- 26 b. Assistant Sheriff Ryan Monaghan. Much like Captain Philip, Sheriff Corpus promoted
27 Ryan Monaghan to Assistant Sheriff looking for a lackey but instead received a
28

1 dedicated public servant who refused to condone Aenlle and Corpus's illegal behavior.
2 Assistant Sheriff Monaghan disclosed the illegal behavior of Corpus and Aenlle to
3 Judge Cordell. Two days after Assistant Sheriff Monaghan's interview, Aenlle
4 approached Assistant Sheriff Monaghan and he asked whether Monaghan had
5 cooperated in the independent investigation. After Assistant Monaghan confirmed that
6 he had participated in the investigation, Sheriff Corpus terminated, or attempted to
7 terminate, Assistant Sheriff Monaghan's employment.

8 c. Captain Rebecca Albin. Captain Albin worked at San Mateo County's Sheriff's Office
9 for nearly twenty years. Sheriff Corpus and Aenlle began to retaliate against her after
10 she resigned to seek employment with another agency. This retaliation included: (i)
11 revoking her access to a community messaging service; (ii) revoking her access to San
12 Mateo County's secure law enforcement communications system used to share critical
13 information; (iii) locking her out of her work-related email account and prohibiting her
14 from sending any emails or using social media prior to the end of her employment; (iv)
15 physically locking her out of her workspace; and (v) requiring a monitor to be present
16 while she removed her personal belongings.

17 d. Captain Mark Myers. Captain Myers sent an email encouraging all lieutenants and
18 captains to unionize. In response, Sheriff Corpus stripped Captain Myers of his position
19 as SWAT Commander within one week of Captain Myers sending the email.

20 e. Lieutenant Stephanie Josephson. Lieutenant Josephson also sent an email to
21 encouraging San Mateo County lieutenants to organize. The next day, Sheriff Corpus
22 personally called the leader of Lieutenant Josephson's specialty assignment and Sheriff
23 Corpus demanded that Lieutenant Josephson immediately be transferred from her
24 position.

25 f. Records Manager. Aenlle and Corpus retaliated against a records manager after
26 learning that she had obtained employment at another agency. Aenlle repeatedly
27 demanded that the records manager reconsider her decision and become his personal
28

1 assistant. When the records manager refused, Aenlle loudly confronted her at her
2 farewell party and he baselessly accused her of running the Instagram account that
3 Corpus had initially tasked Captain Philip with having removed. Aenlle continued to
4 criticize her even after she left the office, including by calling her “emotional and
5 mentally unstable” and saying that he would “like to smash her face in” when saw her
6 at a public event for another local law enforcement agency.

7 34. Sheriff Corpus and Aenlle continue to intimidate and retaliate against employees
8 who spoke up against their illegal conduct at San Mateo County Sheriff’s Office. On January 23,
9 2025, Sheriff Corpus brought Aenlle into San Mateo County Sheriff’s Office department
10 headquarters despite Aenlle’s termination from San Mateo County and San Mateo County banning
11 Aenlle from entering any county facility that is not open to the public. Aenlle was visibly armed
12 during this visit and encountered multiple employees who had participated in the independent
13 investigation against Aenlle. Some of these employees were so distressed that they requested to
14 leave the premises for their safety.

15 **FIRST CAUSE OF ACTION**

16 **VIOLATION OF LABOR CODE § 1102.5(b)**

17 **RETALIATION**

18 **(Against All Defendants)**

19 35. Captain Philip incorporates all of the foregoing paragraphs of this complaint as
20 if fully alleged herein.

21 36. Labor Code § 1102.5(b) states in pertinent part as follows: An employer, or any
22 person acting on behalf of the employer, shall not retaliate against an employee for disclosing
23 information, or because the employer believes that the employee disclosed or may disclose
24 information, ... to a person with authority over the employer or another employee who has the
25 authority to investigate, discover, or correct the violation or noncompliance, ... if the employee has
26 reasonable cause to believe that the information discloses a violation of state or federal statute, or

1 a violation of or noncompliance with a local, state, or federal rule or regulation, regardless of
2 whether disclosing the information is part of the employee's job duties.

3 37. Defendants violated Labor Code § 1102.5 against Captain Philip by taking adverse
4 action against Captain Philip because Captain Philip complained about ongoing illegal activities
5 at Defendants.

Attachment to Claims Against County of San Mateo

WHAT particular action by the County or its employees caused the alleged damage or injury. How did it occur (describe damage or loss):

I began working at San Mateo County on around August 8, 2023. Shortly after I began working at San Mateo County Sheriff's Office, Chief of Staff Victor Aenlle hostilely informed me that he "knew all about me" and demanded that I stop communicating with Sheriff Corpus. Aenlle appeared threatened and angered by my then-friendly relationship with Sheriff Corpus.

On around September 3, 2024, I refused to serve an internal affairs notice that I believed violated the accused officer's rights under the government code. I also believed the notice to be a pretextual attempt to illegally retaliate against protected union activity. Less than one week after my refusal to engage in illegal activity, I was immediately transferred from my prestigious assignment into a nonexistent and undesirable assignment. I also began to experience other forms of retaliation, including without limitation: being forced to respond to emails at all hours of the day and night; being treated in an aggressive and hostile manner by Undersheriff Dan Perea; receiving non-urgent demands from the executive staff on my days off; being removed from my desirable ancillary assignment; and being forced to communicate through my personal devices rather than County channels for communication. I complained to human resources who confirmed that this conduct was illegal; however, the unlawful retaliation continued.

On around November 12, 2024, Undersheriff Perea ordered me to arrest an officer who publicly engaged in legally protected union activity. Undersheriff Perea refused to provide me with any factual basis to warrant this arrest. I refused his order as I believed the arrest was improper and illegal. Perea then ordered me not to report this arrest order to human resources or the district attorney's office. I was left with no choice but to resign from my employment at San Mateo County Sheriff's Office.

Name of public employee(s) causing injury, damage or loss (if known):

Employees causing injury include without limitation:

1. Sheriff Christina Corpus
2. Chief of Staff Victor Aenlle
3. Undersheriff Daniel Perea
