GAIN REAL-WORLD LEADERSHIP EXPERIENCE, DEVELOP SPEAKING SKILLS, AND GIVE BACK TO YOUR SCHOOL COMMUNITY!

YOUTH AMBASSADOR PROGRAM

PALO ALTO PARTNERS IN EDUCATION (PiE)

If interested, please email

ya@papie.org

What is PiE?

PiE raises money towards classroom support, art and STEM programs, and student guidance and mental health support to provide all PAUSD students an educational experience beyond what is possible with public funding.

What do PiE Youth Ambassadors do?

- Work with schools and the community to expand PiE's reach, **receiving volunteer hours**
- Organize and lead school support events, including the annual 8th Grade Transition Panel
- Speak and table at Back-to-School nights and other school events to inform parents about PiE's mission
- Create social media and physical content promoting PiE

Political Campaign Volunteer Internship: City of Palo Alto Community Safety/Services Measure

Minimum Commitment: 2-10 hours per week until election day
(November 3th, 2026)

Opportunities available in: talking to voters, phone/text banking,
tabling, distributing flyers, social media

Internship outcomes: Interns participating in this campaign will get an understanding of the ins and outs of a political campaign. Interns will enhance their communication and persuasion skills and connect with the Palo Alto community and political process.

Interns contribute to passing the City of Palo Alto Community Safety/Services Measure which will support the renovation of Cubberley Community Center

City of Palo Alto Community Safety/Services Measure

"To provide general city services including repairing Cubberley Community Center for current safety, earthquake, accessibility standards; upgrading deteriorating electrical systems, wiring, plumbing; acquiring outdoor space/sites; maintaining streets, safe, clean downtown/commercial cores; preparing for natural disasters; repairing deteriorating community spaces, libraries, shall City of Palo Alto's measure enacting a 0.5% (1/2¢) sales tax, providing approximately \$15,600,000 annually until ended by voters, with published financial audits, all funds used locally, be adopted?"

California Invention Convention at PAUSD Middle Schools

**A New Opportunity for Student Creativity,
Innovation & Leadership**

Mission: To make invention accessible, exciting, and empowering for all PAUSD students — and spark the next generation of innovators.

What It Is: A hands-on program where students learn to identify problems, brainstorm solutions, build prototypes, and present their inventions. Open to middle schoolers in PAUSD with pathways to the State and National Invention Convention.

- Monthly “Invention Inspiration” videos featuring student inventors from PAUSD High school to inspire middle schoolers.
- Invention clinics + office hours for middle school students done by HS Schoolers.
- High school mentors from HOSA, STEM, and design clubs

Green Silicon Valley Departmental Recruitment Form

Join Green Silicon Valley — a student-led nonprofit empowering students to lead environmental STEM outreach. You may be able to get volunteer hours although this isn't guaranteed.

This application is for manager or coordinator positions under our directors. Each department plays a vital role — see descriptions below:

- Media Department: Share GSV's work through social media and design.
- Technology Department: Maintain websites, data, and technical tools.
- Outreach Department: Connect with schools, teachers, and partners.
- Operations Department: Manage logistics, events, and materials.
- Volunteer Development Department: Train and engage volunteers.
- Media & Communications: Handle PR, newsletters, and announcements.

Sign-up via this [LINK](#)

Being part of **The Journal For Youth Voice** is an incredible opportunity for high school and college students. As a global community of writers, editors, artists, leaders, and critical thinkers, JYV will expose you to a variety of perspectives and opportunities. Whether you've won national awards or never written a piece outside your English class, the Journal offers a collaborative, supportive platform that will get your voice heard while building skills (and a portfolio!) you can take anywhere.

Members of the JYV have gone on to study at Oxford, win national Speech & Debate competitions, and even help draft Minnesota state legislature!

If that's you, apply today.

VOLUNTEER OPPORTUNITIES

**Join a creative community and help create
events for your fellow teens.**

Teen Arts Council is a Leadership Group run by Palo Alto teens who are dedicated to providing spaces and events for high school students to express themselves artistically, including visual art, fashion, poetry, music, comedy, theatre and film. Any high school student is welcome to join. Our meetings are always open—drop-ins are welcome!

Weekly Meetings: Tuesdays at 6:30 p.m.

Meetings usually last about an hour.

**Check the TAC website for the most updated schedule and location, as well
as upcoming events: teenartscouncil.org**

Note: TAC Film Lab meets Tuesday at 5:30 and is also open to drop-in participation!

Teen Arts Council is an initiative of Palo Alto Children's Theatre.

FOUNDATION FOR
CLIMATE
RESTORATION

Interview:

y4cr.assistance@gmail.com

OR

Apply:

<https://forms.gle/sKFynsUB62bdmz93A>

Are you interested in working on the new wave of climate action? The Foundation for Climate Restoration (F4CR) is launching their youth initiative, Youth for Climate Restoration (Y4CR). They are looking for ambitious, dedicated, and passionate youth that are interested in providing leadership in constructing Y4CR from the ground up!

To become a part of the Bay Area Friendship

Circle: visit: www.BayAreaFC.org

email info@BayAreaFC.org

call (650) 858-6990

We match teen volunteers to children with special needs and provide programs and activities designed to include, involve and motivate. Participants develop relationships with peers together with their teen volunteer, in a fully inclusive and welcoming environment. In addition, we create opportunities for families to meet, make friends and gain support from one another.

Virtual “Career Tours” from Amazon

Career Tours are **free**, **interactive**, **virtual field trips** that inspire students to pursue **careers of the future** by exploring Amazon’s technologies. Tour whenever, wherever, on Kahoot!

Click this [link](#).

The logo for Amazon Future Engineer. It features the word "amazon" in its signature blue font with a curved arrow underneath. Below it, the words "future" and "engineer" are stacked in a larger, bold, blue sans-serif font, separated by two blue chevrons pointing to the right.

**At Pathwise,
we're on a
mission to close
the opportunity
gap—through
community**

Pathwise is Palo Alto's only free, non-profit,
after-school enrichment program for
less-resourced and
historically-underrepresented middle-schoolers.

By mentoring students, you'll earn service hours,
make a meaningful contribution, and grow as
empathetic, purposeful leaders.

FREE E-learning

Add this certificate to your resume

There has been a concerning increase in reported cases of forced and child labor in U.S. supply chains in recent years. Cases of minors working in hazardous jobs and outside of federally allowed hours have also increased across states and industries including manufacturing and packaging, especially on worksites where third party labor is used. This course explores the ways companies can reduce these risks through strengthened policies and procedures internally and collaboration with supply chain partners to ensure a protective and safe working environment for all.

Responding to Child Labor and Forced Labor in the U.S.

Volunteer to Tutor Peers on Campus

The **Gunn** Academic Center is recruiting tutors now for all subjects, and while we always need math and science tutors, we also need English, Social Studies and World Language tutors. If you have some free time in your schedule now, we would love you to apply. Please come to D-2 or click [HERE](#).

The **Paly** [Peer Tutoring Center](#) is a welcoming place for all students to receive tutoring help, collaborate with other students, study quietly, and borrow books. If you would like to volunteer as a tutor, please come to the tower building or complete this [form](#).

**The Friends of Palo Alto Children's
Theatre need help with Summer
Theatre Concession Sales at
Performances!**

Contact: childrens.theatre@cityofpaloalto.org

Teens - Shifts last about 2.5 hours and include jobs like making popcorn, grilling hotdogs or customer support.

Concession sale proceeds fund scholarships, transportation grants and paid teen internships!

Parents, you are welcome to sign up, too, and each parent may bring a child with them to watch the performance!

EVER WONDER HOW TO DESIGN A BUILDING? OR WHAT IT TAKES TO CONSTRUCT ONE?

- 15 weekly sessions from January to May
 - Field trips to firms, construction sites, etc.
- Fun and immersive exercises including a season long project
- Exposure to construction related professions
- Direct mentorship and relationships with working professionals & industry leaders
- Student teams learn basic industry skills and knowledge
- Apply skills to developing realistic projects

Buddies 4 Math

Date & Time:

Dates: Every Friday from the orientation until early December this fall.

Times: Two sessions, 4PM-5PM and 5PM-6PM, you can attend one or both! Sign up on a week-by-week basis.

Location:

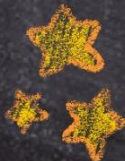

You will be assigned to Castro Elementary, Monta Loma Elementary, Landels Elementary, or Theurkauf Elementary; we take your preference into account.

What Do We Do?

We tutor elementary school students in math.

We play math-related games with students and inspire a love of math in elementary schoolers.

WE EARN VOLUNTEER HOURS,
AND DEDICATED VOLUNTEERS
CAN GET LEADERSHIP
POSITIONS!

Sign-Up Info!

Requirements:

- All volunteers should be between 6th and 12th grade. (Middle or high schoolers, basically!)
- Volunteers should be enthusiastic, friendly and ready to help students out.
- Volunteers must attend a mandatory in-person orientation.

I want to sign up, but... (some FAQ)

- *I can't attend all the sessions!* I can only attend one of the two sessions. That's fine! If you communicate with us, we can help you out.
- *I have some other question or concern.* Check our website, buddies4math.org. Or email us, at volunteer4buddies4math@gmail.com! We are eager to help you out, so just ask if you need any information from us.

Okay, Ready to Sign up!

- Fill out the form at tinyurl.com/b4mfall2024, or scan the QR code to the right.

Join PASCC!

PALO ALTO STUDENT CLIMATE COALITION

Mission Statement

The Palo Alto Student Climate Coalition engages youth in climate advocacy and pushes our local government to prioritize Palo Alto's climate goals by collaborating with community-members, the City Council, and advocating for electrification.

What do we do?

- Give public comments at City Council meetings.
- Participate in projects such as electrifying school buses and giving climate literacy presentations.
- Plan our annual Earth Day march and rally.
- So much more!

Committees to join!

- Outreach
- Media
- Projects

Use the QR code or the following interest form to sign up!

tinyurl.com/pascc2024

Interested in taking tangible climate action alongside people your age? Join the Palo Alto Student Climate Coalition! We focus on climate education, policy, and other environmental initiatives. For example, we were instrumental in passing electrification rebates for a City heat pump program and have done work to electrify the district's school buses.

**Our join link is: tinyurl.com/pascc2024
Our instagram is: @paltoaltoscc**

**Secure Gun Storage
Saves Kids' Lives**

Be SMART is a national campaign whose success has relied on parents, caretakers, and community leaders sharing the message that secure gun storage helps to protect American youth from unnecessary tragedy. Thanks to hard work, Be SMART advocates have reached millions of families by partnering with local schools, hospitals, law enforcement, and community programs, sharing the Be SMART message online, and distributing Be SMART materials at local or national events. Contact our local Be Smart representative to learn more about volunteer opportunities: Stacey Ashlund: ashlund@zachary.com

Seasonal Volunteer Internships

Certifications, Gap Year, Summer & Post Grad ideas

While it might seem early to be thinking of an interesting or fun activity this spring or summer, some programs have January deadlines even if they will take place virtually. Of course, there are many informal hobbies you can pursue as activities, too. This [article](#) is helpful to get an overview of things to consider when choosing what to do. These [blogs](#) from CollegeWise help put summer/extracurricular activities in perspective.

MaiaLearning:

Students have access to a searchable database of enrichment opportunities in MaiaLearning, as well as a couple of websites to check out: [TeenLife](#) and [PBWorks CollegeWiki](#). To search the database of summer enrichment opportunities in MaiaLearning click the "Portfolio" tab from the left navigation and then select the "Opportunities" from the top navigation. Click on a hyperlink to learn more information about program dates and costs (if available), any requirements, and the sponsor's website for more information and the application.

Disclaimers:

* Paly does not endorse any of the organizations, companies, or programs referenced above or on the websites linked herewith. We provide this information as a service to our community. Please check with the program sponsors for endorsements and perhaps a local contact with whom you can inquire about a review/recommendation.

** Attending a summer program at a particular college or university does not usually provide a boost in admissions chances when it comes time for the student to apply to college.

Summer programs:

Advice from Guidance

The main reasons to consider summer programs are to gain insight into who you are, where your interests lay, and what your unique talents and skills are. Those insights can be invaluable in helping you sort out which colleges might be the best match for you. While some summer programs are expensive, they might offer scholarships so be sure to inquire. And, you don't have to spend a lot of money to have an enriching summer experience; other summer activities such as community service, working, job-shadowing, career exploration (e.g. [Career Quiz](#) on Big Future, [Majors Quiz](#) on MyMajors, [Interest Profiler and Skill Profiler assessments](#) on CA Career Zone, [Roadtrip Nation](#)) are valuable and aid in self discovery. And, informal hobbies are activities worth pursuing and valued by colleges, too!

Apprenticeship Information

Qualities that successful apprentices share include perseverance, ambition, and initiative. Educational requirements vary; some programs prefer applicants with a high school diploma or its equivalent, while others may have more rigorous standards, and some have no educational requirement. Some programs require you to take an aptitude or other kinds of test. Most programs require English proficiency.

If you are interested in becoming an apprentice, use the [search tool](#) provided by:

Additional information:

[How to Become an Apprentice](#)

ACCOUNTING+ INTERNSHIP & SCHOLARSHIP HUB

Finding opportunities that align with your future goals doesn't have to be difficult. Accounting+ makes it easy by highlighting a variety of internships and scholarships, with the option to customize your search to what matters to you. Want to intern in the Big Apple this summer? Want to concentrate on scholarships over \$5,000? 🌸 We've got you.

NAF has established a scholarship program to assist high school seniors or graduates of NAF academies who plan to continue their education in college or vocational school programs. Information about scholarships found [HERE](#).

Students have the opportunity to go online starting in July to learn about Data Science as a career courtesy of Think Data Ed, a UCLA, LAUSD, NSF partnership. See this link for details about the virtual camp: [Summer Data Science Camps | ThinkData Ed](#)

UCLA Game Lab High School Summer Institute

**Session A (online, virtual
classroom):**

June 22, 2026 – July 9

Session B (in-person, residential):

July 12, 2026 – July 29

The UCLA Game Lab Summer Institute introduces high school students to gamemaking as an artistic practice, teaching them techniques and tools to develop analog and digital games that reflect their own creative vision. No previous gamemaking skills are required. Students with an interest in games and visual arts will find the curriculum especially rewarding—and those who complete the three-week program receive 4 units of college credit!

**NEW - Fee for
students to attend**

Banson NYC Fashion Programs

We offer two NYC Fashion Summer Camps for high school students. They are designed for teens entering 9th through 12th grades. Each week-long session will teach the students the fundamentals of the fashion industry by providing an insider's perspective. The students will stay at a hotel in midtown with a residence advisor. Each morning the group will be picked up at the hotel by a Banson NYC representative. From there we will depart for our industry visits, seminars and activities of the day. Each evening will have group activities planned. Enrollment is limited to 20 campers per session. We accept applications on a first come, first served basis.

Offering only Session C - July 26-July 31, 2026

**Subject to course availability and degree program compatibility.*

Peninsula Humane Society & SPCA

Peninsula Humane Society & SPCA

PHS/SPCA is now accepting applications for our Wildlife Rehabilitation Internship program. The internship position will be located at the new Larry Ellison Conservation Center for Wildlife Care (LECCWC) in Saratoga, California. LECCWC is scheduled to open in late spring of 2024. These are unpaid volunteer internships open to individuals 18 years or older who have graduated from high school.

For more information please visit our [website](#) or [apply here](#).

CERT Training

It takes about 20 hours to complete the CERT training. But the critical skills you learn will last your entire life. During the training, you will learn to: put out small fires, conduct light search and rescue, assist those who are injured, set up medical treatment areas, assist emergency responders, identify and anticipate hazards, reduce fire hazards in the home and workplace, and help reduce survivor stress.

You can also take the [Introduction to CERT](#) training. This independent study web-based training is interactive and will introduce you to CERT skills before you take the classroom training.

For more info click [HERE](#)

Sparrow

Our goal is to help your students secure employment that will provide financial support and personal growth while also allowing them to balance work and school life. Therefore, we have created a free on-demand platform for students in the Bay Area to connect and network with local families and small businesses to help with tasks and projects. We are focusing on simple and flexible work in your local community to help students earn extra money during high school. Our mission is to help all students succeed as they continue to forge their educational and career paths, and we hope to get your support. Our website can be found at www.findsparrow.com.

Give Your Child the Gift of Real Language Immersion!

Forget typical language classes—our program plunges students into a true immersive experience where they *use the language every day* and gain skills that will prepare them for a global future.

Designed especially for SBL students, our program aligns perfectly with SBL goals, giving motivated learners the tools and confidence to excel. This is not just learning—it's living the language!

Spaces are limited—give your child the experience that sets them apart. <https://www.highschoolspanish.org/>

Unlock a True Language Immersion Experience!

There's no program like ours where students fully immerse themselves in a language and gain real-world experience that prepares them for a global future. This special program is designed specifically for students in the SBL program—students who are ready to actively use the language and take their skills to the next level. Our curriculum is fully aligned with the SBL goals, giving students meaningful, practical experiences that will set them up for success in a connected world.

COSTA RICA YOUTH EXCHANGE

Don't miss this opportunity for your child to engage, explore, and excel!

Seniors, if you plan to attend college you should start planning for college internships now.

Get the facts. outsetprep.com

OUTSET | Career Prep

The [Call For Kindness](#) (C4K) Fellowship gives young leaders (ages 13-23) across the country the skills, connections, and funding they need to run social impact projects that inspire kindness and strengthen their local, national, or global communities. The Fellowship consists of a 12-month leadership development fellowship and a startup grant of up to \$5,000. Fellows receive 1:1 coaching and project support, virtual skill-building sessions, an in-person leadership Retreat, mentorship opportunities, and a peer community of other young changemakers. Fellows can also apply for Continuation Grants with ongoing project support and coaching.

The application deadline is March 9, 2025 at 11:59PM EST.

WELCOME
